## Swing into Spring 2023

### Swing-into-Spring Participants:

Our sincere gratitude to all 134 players who participated in the Swing-into-Spring tournament and made the relaunch, after a 3 year hiatus, a great success.

For the statistical minded, as mentioned we had 134 players, 80 doubles entries and 157 matches from the 11 events played. All told 309 sets of tennis comprising 2,435 games were played. The rain Wednesday morning resulted in 25 matches having to be rescheduled that was achieved with limited impact to the overall schedule.

Along with the tennis, this was a charitable event benefiting two voluntary groups within the Sun City West community, the Posse, and Prides. Your contributions via the raffle, independent donations made by players and our sponsors raised a grand total of \$8,400 that will be divided and presented to the groups at the SCW Tennis Club April members meeting.
